## About the Camino

For over a millennium, pilgrims have been travelling **the Camino – ‘the Way’ – to Santiago de Compostela in north-eastern Spain**, traditionally thought to be the final resting place of St James. There are many Camino routes: this year I am cycling from Seville in the south (1,000km) over 17 days. I will be cycling alone on a mountain bike.

## About Sussex Cricket Foundation

**I am using the opportunity to raise money for the charity of which I am a trustee: the Sussex Cricket Foundation.**

The Sussex Cricket Foundation does a *wonderful* job across the county: supporting our very youngest cricketers in the All Stars programme, schools cricket, local clubs, disabled cricket, Walking Cricket, and weekly Sporting Memories meetings for older people – and our programmes for women and girls are particularly successful. With your help, SCF’s excellent staff and volunteers can do even more.

## Donating

I would be so grateful for however much you are able to give – and your donations will keep me on track if the going gets tough! Ideally, please could you use my JustGiving page [www.justgiving.com/fundraising/katycamino2019](http://www.justgiving.com/fundraising/katycamino2019) as it allows you to add Gift Aid (so SCF will get an extra 25%). Alternatively, please send a cheque made out to **Sussex Cricket Foundation** to c/o Chris Coleman, The 1st Central County Ground, Eaton Road, Hove BN3 3AN and mark the envelope ‘Katy Camino’.

If you want to read about my trip when I’m on the road in June, you can follow my blog at [www.katycamino.wordpress.com](http://www.katycamino.wordpress.com).

The route ... it's a long way!

Thank you!
