Wet Weather Contacts

The first point of call for any questions about the fitness of the ground **on day of the match**, is the manager of the relevant side. If he is unavailable, then please try the team captain. Only if you cannot contact either of those 2 people & it is urgent, then call Ken Fisher or Hugh Milner. It is the manager & captains job to keep you up to date.

Once the fixture list has been published, the the team manager & captain have taken over the responsibility for the game. For any questions then please speak to them who will be liaising with the opposition & host club (if a home game). Decisions about the ground fitness are not normally made until the evening before (at the earliest) but probably on the morning of the match.
