

DESIGN OUR NEW MASCOT!

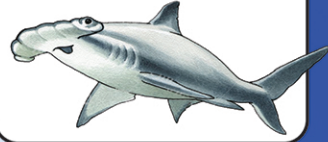

Sid The Shark is looking for a friend and this is your chance to design the brand new female Sussex Sharks mascot! The competition, open to all ages, closes on Friday 20th April, so make sure you get your finished drawings sent in by then.

FOUNDATION

The winner will be notified by email and see their winning designs magically come to life AND win 4 tickets to the opening game of the new Vitality Blast T20 season where you will be personally invited on the pitch to meet your new Sussex Sharks female mascot!

Get Doodling! It's time to start getting creative. First, pick a shark to draw - we've given some examples for you here. Then sketch out your character below in pencil, then clean up your rough lines with a darker pen and fill in with colour to complete your design. Why not add accessories, such as eyelashes, hair and earrings. Good luck!

HAMMERHEAD

A great leader who gets her team working as a pack and hunting out those match winning wickets and runs.

WHALE SHARK

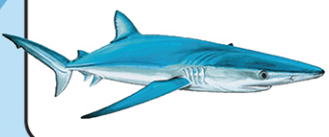

The gentle giant of the shark family. A great middle order batter who'll score runs for fun off any bowler

TIGER SHARK

Big, bold and strong. A fast and fearsome opening bowler who terrifies her opponents with the pace of her deliveries

BLUE SHARK

A quick, nimble and agile hunter. With the ball in her hand, her tenacity will see her take wickets and win matches

Scan and email your finished mascot design to:
Foundation@sussexcricket.co.uk
remembering to include your name, age and school
