

SUSSEX GIRLS' EARLY ENGAGEMENT & COUNTY PATHWAY 2025/2026

GIRLS' PATHWAY DEVELOPMENT PROGRAMME

We are extending the Talent Pathway by introducing an Early Engagement Programme to create more and fairer access and opportunities for more girls.

Alongside learning the basics of the game, the programme will encourage fun, friendly competition in the summer and winter programmes, with internal squad match play programmes.

Our pathway will begin at U13 – U18 where they will have winter and summer training and play against other counties in the summer.
