A WELCOME FROM ISH JALAL Chair of Sussex Cricket Foundation

Thank you for your interest in becoming a Trustee of Sussex Cricket Foundation.

2024 has been another incredible year for Sussex Cricket Foundation. We have, for example, continued to grow interest and increase accessibility and participation in cricket across Sussex.

Participation across all areas of the game continues to rise and recreational cricket in Sussex has never been in a stronger position. We continue to be held in high regard both locally and nationally, with

the ECB describing us as a 'Leading Organisation' in Disability, Women & Girls and Schools Cricket delivery, a fantastic endorsement of the amazing work we continue to do across Sussex.

This is an exciting opportunity to be at the heart of promoting cricket for social good within Sussex. The SCF's aim is to actively change lives through cricket and promote the sport to enhance social good within

our communities and so we are looking for collaborative and motivated individuals who demonstrate enthusiasm and integrity and who will inspire a passion for cricket in all our communities.

Please note these are voluntary, unpaid posts, for an initial period of three years. We are committed to improving the diversity of our Board of Trustees, specifically focusing on recommendations

from Sport England's Diversity and Inclusion action plan. We welcome applicants from all walks of life and backgrounds who can bring diversity of thought and experience to the SCF.

Chair, Sussex Cricket Foundation

FOUNDATION

ABOUT US

The Sussex Cricket Foundation (SCF) is the charitable arm of Sussex Cricket and a wholly owned subsidiary of Sussex Cricket Limited.

The Foundation is a registered charity and a company limited by guarantee. Its aim is to actively change lives through the power of cricket across Sussex and throughout its communities.

We use the game and the Sussex Cricket brand to deliver accessible playing opportunities that grow the sport, tackle inequalities, improve mental health and wellbeing, and enable people to fulfil their potential. Our team of 30 employed staff (16f/t, 14p/t) and boundless volunteers, led by our Community Cricket Director, deliver programmes and initiatives in schools, clubs, and community settings to help raise the profile of cricket, improve accessibility, and inspire the next generation of cricketers of all ages, abilities, and genders.

Through our Sussex Cricket Strategy our current priorities include:

- Disability Cricket (running the largest mass disability cricket event in the South-East and being the first County to host a disability cricket fixture).
- Women & Girls Cricket (currently 70 clubs running women & girls cricket).
- Facility Development – to improve the quality and quantity of facilities across the County, in line with our 10yr. Facilities Strategy, to enable people of all ages, abilities and genders to access the game.
- State School Cricket – in partnership with the Aldridge Foundation, Brighton Aldridge Community Academy is our state school of choice for cricket which provides opportunities for state school children to access high quality coaching in first class facilities. Further plans are in place to revolutionise state school cricket across the County.
