

A solid defence when you need it most

Specialist insurance designed for cricket clubs

We understand how important your club is to you, your members and your community. It's vital to keep everything properly protected.

Whether you run a village club or a larger cricket organisation, our specialists help you find the right cover to protect your club, your people and your season.

Why cricket clubs choose Acrisure

Cover that suits your club's needs

Our specialist package insurance policy is designed with your club in mind. Our expert team is on hand to support you all year round.

Solutions that save your club money

We've saved other cricket clubs on average 15-20% on their insurance premiums*. That's around the equivalent of 2-3 boxes of cricket balls.

Incentives that give back to your club

We'll give up to £30** back to your club when members get a quote and purchase their home or motor insurance through us

*Based on 13 cricket clubs who have taken out cover since February 2021.

**Incentive only applies to members of insured clubs. Club's receive £10 for every home or motor quote made, with an extra £20 given, should that home or motor policy be purchased. For full terms & conditions, please speak to us
