# MAKES CRICKET MORE INCLUSIVE

## THE 2G FLICX PITCH...

From junior development to women and girls cricket expansion, the 2G Flicx Pitch opens the game to everyone, anywhere, anytime

WWW.FLICX.COM

A dynamic photograph of a cricket player in mid-swing, hitting a ball on a green artificial pitch. In the background, other players are visible, including a wicketkeeper crouching behind the stumps and a bowler running towards the camera. The scene is set outdoors on a sunny day with trees in the background.

THE 2G FLICX PITCH...

# DELIVERS ON PERFORMANCE

---

The 2G Flicx Pitch delivers a realistic, consistent bounce and good grip for a safe, professional experience. The pitch offers seam, spin and turn for bowlers.

A night cricket match is taking place on a green grass field. In the foreground, a player in a purple uniform is in a batting stance, facing a bowler in a blue uniform. The bowler is in mid-pitch. In the background, there are several green pop-up tents with the "SYDNEY THUNDER" logo. Other players in purple uniforms are visible, some standing near the pitch and others sitting on chairs. The scene is illuminated by stadium lights.

THE 2G FLICX PITCH...

## ENHANCES COMMUNITIES

---

Bring cricket to urban environments, engage underrepresented groups and deliver huge impact growing the game where it's most needed.
