SUSSEX NETWORKING FOR SUSSEX BUSINESS

The Boundary Club is Sussex Cricket's own unique networking club, where business meets cricket, hosted right on the boundary's edge.

We aim to bring like-minded businesses together for informal networking, a quality three course lunch and guest speaker with a backdrop of first class cricket.

Boundary Club Membership includes invitations to nine events, the majority of which coincide with first-class Sussex CCC fixtures.

Boundary Club PLUS Membership also includes 2 Executive Passes which allows admission to the SO Legal Executive Suite for all of our home group games in the 2019 season, including the exciting T20 Vitality Blast group matches at The 1st Central County Ground, Hove.

Additions for 2019 include a brand new LinkedIn area, where you can keep up to date with all the latest Boundary Club news and learn more about your fellow members, as well as your company logo displayed on the Boundary Club section of the website, with a hyperlink to your own site.
