

## NATIONAL PROGRAMMES UPDATE

Hi there,

We hope you had a relaxing break with family and friends over the Christmas and New Year period and are looking forward to an exciting year of cricket ahead.

We appreciate that up until now we've not confirmed timings for National Programmes in 2024. Please accept our apologies if this has directly impacted your own planning.

We are happy to confirm that **registrations will now be open nationwide from 13<sup>th</sup> March 2024, and delivery of courses can start from 10<sup>th</sup> May 2024.**

As with previous years, a Priority Window for previous bookers – or anyone who has registered interest in National Programmes in 2024 – will open prior to the national launch date. For 2024, that date is Wednesday 6th March, which is a few weeks later than what you may be working towards, due to a change in our national timelines.

Therefore, **key milestones** are:

- **Today onwards (31st January) - Clubs and Centres register courses on ClubSpark**
- **Wednesday 6th March - Priority Window opens**
- **Wednesday 13th March - General registrations open to everyone**
- **Friday 10th May - Delivery of courses begin**

We are currently experiencing some delays to our usual kit delivery process however we are aiming to deliver all participant packs prior to their course start date.

## REGISTER YOUR COURSES NOW

With the priority window for All Stars and Dynamos Cricket opening in 5 weeks today on **6<sup>th</sup> March**, we want parents to have the widest range of booking options available to them, increasing the chance of capturing their registration when they first search for a local All Stars or Dynamos course.

Therefore if you've not already, please do your best to upload courses for both May, and the summer holiday period as soon as possible. Please also ensure that your courses are set up to be visible on the search results when parents and guardians are finding the best location for their children.

[Here](#) is our guide on how to upload courses. See below for the link to ClubSpark where you can upload courses.

## STRIPE VERIFICATION

Stripe is the accounts system that ClubSpark uses to manage payments for your National Programmes and requires some updates from clubs from time to time. In preparation for setting up your new courses, we recommend you check your Stripe accounts now, to ensure all is in order and active, click [here](#).

If you need any support we have some handy guides to help, search [Stripe](#) to find what you need.

## ONLINE SHOP RE-OPENS IN APRIL

The All Stars online shop will be open for equipment orders from Tuesday 9th April.

## ROADSHOW - YOUR QUESTIONS ANSWERED

We received lots of your questions before, during and after the Roadshow event towards the end of last year, so thanks for your input. Our answers can be found below.
