About us

Sussex Cricket is truly unique and is believed to be the oldest professional sports club in the world. In 2011 and 2012 Sussex reached one quarter-final and three semi-finals in the two cup competitions as well as rising each season up the table in Division One of the County Championship. In 2013 and 2014, Sussex finished third in the County Championships and last season made it to the final of the T20 Blast.

The Grounds team play an essential and integral part in the success of the cricket team. In the last ten years, the Grounds team have twice been awarded the England and Wales Cricket Board best 'One-Day Pitches' trophy as well as receiving two commendations, and in 2017 came runner up for the best four day pitches and received a commendation for four day pitches in 2016. In recent years, the 1st Central County Ground has undergone a £9m re-development.

The successful candidate will spend blocks of time at each of the cricket grounds (Hove, Blackstone and Preston Nomads CC) gaining hands-on experience.

The Grounds team have run apprenticeships since 2009, during which time fifteen people have completed an apprenticeship and are now employed in the sports-turf industry.
