## Wet Weather Contacts

Please contact the manager of the relevant side as the first point of call for any questions about the fitness of the ground **on day of the match**. If he is unavailable, then please try the team captain. Only if you cannot contact either of those 2 people then call Ken Fisher or Hugh Milner. It is the manager & captains job to keep you up to date.

For any questions over 24 hrs in advance please speak to Ken Fisher who will be liaising with the opposition & host club (if a home game).  
Decisions are not normally made until the evening before (at the earliest) but probably on the morning of the match.

For opposition teams, on the day of the match please contact the manager or captain of the relevant team. If it is the day before or earlier, please contact Ken Fisher
