### **Wet Weather Contacts**

The team managers & captains have the responsibility for the game. Any questions, then please speak to them. They will be liaising with the opposition & host club (if a home game). Decisions about the ground fitness are not normally made until the evening before (at the earliest) but probably on the morning of the match. It is the manager & captains job to keep you up to date.

**We are trying to get a 50's 3rd team playing this year. If it works for us we would like to be able to enter a side in the league next season. If any counties are in a position to offer us some games we really would appreciate it We are happy to play against 4th teams or mixed sides as we do not yet know what our strength will be.**

**Please contact me if you are able to help. Thank you Ken Fisher**
